GDS freeze periods

We would like to warn [LTA] users that the GDSs impose freeze periods around the end of the year. These affect new LTS implementations and the provision of additional TAs for existing customers.

The following will be affected:

1. New LTA Implementations
2. Additional TAs for current LTA customers

The GDS freeze periods are:

1. Amadeus
 - a. December 18th, 2009 – January 11th, 2010
2. TravelPort (Apollo/Galileo and Worldspan)
 - a. November 20th, 2009 – December 1st, 2009
 - b. December 18th, 2009 – January 5th, 2010
3. Sabre
 - a. November 26th, 2009 – November 27th, 2009
 - b. December 25th, 2009
 - c. January 1st, 2010

Another freeze period is that of Pegasus, from December 25th, 2009 – January 15th, 2010

So we can process any new orders before the freeze periods, please let us have them by November 1st, 2009. Please contact Dan Wiser at dan.wiser@lanyon.com if you need new or additional services.

Please contact GDSSupport@Lanyon.com if you have any questions.
